

Answers to questions for RFR ENE 2014 029:

Question 1. : Please clarify the due date for responses. Section II (Procurement Calendar) notes that responses are due by April 15, 2014 3:00 PM, while Section VI (Submission Requirements) states, "Responses must be received by 3 p.m. on April 7, 2014."

Answer 1. The due date has been corrected in the RFR to April, 15, 2014.

Question2: Will the contractor be responsible for hosting the website and any associated database or do you plan to have it reside on a DOER server?

Answer 2: Yes, the contractor will host the database and the website that meets the requirements of the amended RFR.

Question 3. Will the contractor be required to verify registration against the Massachusetts Registry of Motor Vehicles (RMV) databases?

Answer 3. No, a copy of a Massachusetts' registration certificate signed by the Massachusetts' registrar of motor vehicles along with a copy of the final sales or lease contract will be proof required. The DOER will draft a MOREV Implementation Guideline that will be reviewed together with a selected bidder before being finalized by DOER. This Guideline will specify the program requirements and may be periodically updated as needed to improve project effectiveness or further clarify program requirements.

In Addition:

An additional amendment will be posted for this RFR to reflect updated IT requirements of this bid.
